I can't wait for the next one!

I would love to see the show again and in Spanish only. To get a different experience.

The space made it hard for me to feel connected. Mostly because there was a blind spot. But that's not your all's fault. It's a spatial issue. Either way, I loved the performance and I can't wait to see more.

A wonderful show which I'd recommend to anyone

A beautiful way of creating a collective experience of the poetry- beautiful venue and welcoming intimate atmosphere created by the two of you as well. I loved the final encore song from your new project I can't wait to see what you do next!

Thanks for such amazing and inspiring work

I think it was a great idea to approach classic texts from Spanish golden age. Both performers (actor/singer and musician) were completely committed in the present moment which gave me a really especial experience. It was really surprising because I did not imagine it would be like this. I really enjoyed the music style and the performance of it. Finally, congratulations and good luck for your future, hopefully you can share it more and more times!
